

## Schools That Teach HOW To Think Win Every Time.

Every school teaches WHAT to think.  
Almost none teaches HOW. The result:  
stressed students, exhausted teachers,  
and academic results below potential —

2x

Student Retention

30%

Teacher Efficiency

#1

Buzan in India

*“Within one academic term we saw a measurable improvement in how our students approached revision. The Mind Map method*

— Principal, CBSE School, Pune

### A PROGRAMME FOR THE WHOLE SCHOOL

One cognitive foundation — transformation across every subject, every class, every level.

#### 1 Whole-School Programme

A structured rollout for students, teachers and leadership simultaneously.

#### 2 Mind Maps Across All Subjects

One tool that improves performance in every subject at every level.

#### 3 Speed Reading for Seniors

Board exam students who read 2x faster cover syllabi more thoroughly.

#### 4 Teacher Effectiveness

Teachers who Mind Map lessons deliver 30% faster with better student retention.

#### 5 Memory Techniques for Exams

Proven methods to recall vast syllabi precisely under exam pressure.

#### 6 Student Wellbeing

Cognitive confidence reduces exam stress — students who feel capable thrive.

#### YOUR TEAM WILL:

Better Academic Outcomes

Less Student Stress

Invest in the cognitive infrastructure your school needs.
