

# Study Less. Score Higher.

~~The students who outperform are not smarter. They have been taught how their brain actually works – and they use that advantage every single day. Now it's your~~

Student Boards Score

## 1 Mind Maps for Revision

Revise an entire chapter in 20 minutes with a Mind Map. Recall it weeks later.

## 2 Speed Reading

Read textbooks and passages 2x faster — with better understanding, not less.

## 3 Memory Techniques

Memorise formulas, dates, definitions and vocabularies using proven memory systems.

## 4 Exam Preparation

Enter exams with a calm, trained brain that retrieves information on demand.

## 5 Creativity for Open Questions

Answer analytical questions with structured, original, memorable thinking.

## 6 ATGenius App

Practice all techniques on your phone — from Awaken The Genius, our sister app.
